COVID-19 ANNOUNCEMENTS

FOR WEB ANNOUNCEMENT & TRAVEL AGENCIES:

Dear Passengers,

In accordance with the decision taken by the Republic of Turkey Ministry of Health to preserve the public health against the novel type coronavirus (Covid-19), of which the Global Risk Level was assessed by the World Health Organization to be "Very High", the passengers who have been to People's Republic of China, South Korea, Iran, Iraq and Italy 14 days prior to their planned arrival to Turkey will not be allowed to Turkey or transit pass through the country.

We would like you to consider this while planning your travel and thank you for your attention.

FOR CHECK-IN & BOARDING DESK TEXT:

Dear Passengers,

In accordance with the decision taken by the Republic of Turkey Ministry of Health to preserve the public health against the novel type coronavirus (Covid-19), of which the Global Risk Level was assessed by the World Health Organization to be "Very High", the passengers who have been to People's Republic of China, South Korea, Iran, Iraq and Italy 14 days prior to their planned arrival to Turkey are not allowed to either temporarily enter to Turkey or transit pass.

We would like you to inform the officials about your travel and thank you for your notice.
